

Welcome To The Florida A&M University Network

To configure your device, follow the instructions below:

- If you are logged in to ChromeOS as a guest you will not be able to use this configuration.

- In the bottom-right corner of the screen, click your username.
 - Click **Settings**.
-
- On the Settings screen, click **Wi-Fi Network**.
 - Select the network named **FAMUSecure**.
 - Click **Advanced**.

Join Wi-Fi network
